OFFICE OF THE CORONER

Mr. Howard Roffman
8829 Blue Grass Road
Philadelphia, Pennsylvania 19152

Dear Howard:

I have tentatively selected Wednesday, August 9, as the date upon which I intend to examine the JFK autopsy materials at the National Archives. Inasmuch as I hope to review various other items in this case located at the Archives, also, I believe that it will be necessary for me to go back to the Archives the next day, Thursday, August 10.

This brief note is for two purposes.

1. If you have any information, suggestions, words of caution, etc., please let me hear from you as soon as possible. Write, or call me collect, whichever you prefer.

2. Obviously, it would be good to digest the materials that I shall have seen on Wednesday, August 9, prior to my return the next day. Accordingly, I hope to meet with any of the knowledgeable critics who can be available in Washington on the evening of Wednesday, August 9. If you could possibly attend such a meeting, please let me know. I shall then tell you exactly where and when our group will be getting together.

Please let me hear from you at your earliest possible convenience.

With kind regards.

Sincerely,

Cyril H. Wecht, M.D., J.D.
